~ Top 15 machine tool builders in Taiwan 25/May/2020

Victor Taichung Group is ranked no.2 on M/T sales in 2019

According to this year's issue of the *Common Wealth* magazine released on 20th May 2020, 14 machine tool builders are ranked in the top 1350 Taiwanese enterprises this year (15 builders last year 2019.) **Victor Taichung Machinery jumps up to the 2nd position in 2019.**

Started since 2006, the sales turnover has been requested to *include all the sales of "share owned subsidiaries or group companies"* so this statistics shows the manufacturing capacity for different groups in Taiwan. In addition, the new financial standard "IFRS" (International Financial Reporting Standards) is applied to Taiwanese public licensed companies since 2013 so it is more and more difficult to identify the sales ranking for the individual company since the sales could be duplicated between companies in the same group. *(Fair Friend Group data are not available in Taiwan since 2019.)*
